I was making the turn to get to my house like I always do on 1st and the black car saw that I was making the left turn and what makes me furious is the fact that I'm almost at the main road and he tries to speed past me to get ~~thru~~ through before me he ~~see's~~ that I'm committed to the turn but still decides to try and speed ~~to~~ make it before me.

I was driving East on Market Pl. and as I was crossing the intersection on 91st with a green light right of way. As I was crossing, I was hit in the back on my left of my car. The car that hit me was turning left without right of way onto 91st South then heading West on Market Place.
